LEGENDS OF THE PIT

WB STUDENTS

LEGENDS OF THE PIT

Legends of the Pit is a crazy, messy, muddy way for us to create buzz and community-based momentum each fall. Through this series of nights, students have ownership over their teams, inviting friends and classmates to participate each week. There is a lot of team pride that comes with Legends. Before we begin each night, a student will share the gospel with the group, and we are thankful for 4 students who indicated they wanted to trust Christ in salvation this year! Thanks to all the parents, volunteers and students who made this one of the best Legends yet!
