I am so excited that we are bringing FamBlitz LIVE to Willowbrook on February 27 at 5pm. My heart is for the family. I believe in creating shared experiences for parents and children. And one thing parents and kids definitely need to experience together is FUN! And even more than that, fun learning more about God and growing closer to Jesus TOGETHER! I hope you will mark this day down and make it a family date night. Plan to laugh together, compete together, and hear from God's Word together. Pray about a family you can invite to come with you- a family that is not connected to a local church or maybe they aren't connected to Christ. This one event could potentially change the course of their eternity. I can't wait to see you there!

Seek first God's Kingdom and His righteousness--when God's kingdom is prioritized, you get to see heaven both rule and overrule in your life. It changes everything because it's not the norm.

The norm is to mix a little faith with our fears and not allow our faith to take priority over our fears. We allow fear to win because we prioritize familiar (even a broken, miserable familiar) over seeking God's Kingdom agenda for our lives.

He has set you apart with a divine calling and assignment but most of us don't know it and we sure haven't embraced it because God's Kingdom agenda is low on the priority list.

I'll Go First says "Above all else is Jesus and because He's first, I'll go first to Him" I'll seek His plan, His calling, His confidence, His courage and when I'm not enough, when I'm overwhelmed, when I'm ashamed, broken and worn down, I'll go first to Jesus."
