ONGOING MINISTRIES

EUROPE EXPONENTIAL

Trains leaders who are committed to accelerating the multiplication of healthy, reproducing, gospel-centered communities.

24-14

Focuses on multiplying kingdom movements around the world.

CITY TO CITY EUROPE

Creates movements of the gospel in cities in Europe.

WHY FRANKFURT?

- Only 2% of people residing in Frankfurt are born-again believers.
- There are 9000 people for every evangelical church.
- During the refugee crisis, Germany welcomed more asylum seekers than any other European country, and the North Rhine Westphalia state received more asylum seekers than any other state.
- More than half of the residents in Frankfurt have a migrant background.
- Frankfurt is home to the European Central Bank which brings people from all over the world into Frankfurt to live and work. Christian converts can be trained to take the gospel back to their home countries.

WHAT IS A FOCUS CITY?

What would it mean for a city to have disciples of Jesus multiplying throughout it and starting communities that did the same? A Focus City concentrates ministry on an entire city by working with local church leaders and ministry organizations, and by saturating an area with missionaries who teach the gospel, disciple believers and train believers to make disciples. A Focus City then becomes a 'bounce' city, launching teams to other cities. The vision of a Focus City sees the region filled with a "new normal" for Christ followers. The DNA of that new normal is one that makes and multiplies disciples of Jesus so that entire populations know and experience life in God's kingdom today. These disciples are so familiar with God and His Word they naturally extend the lifestyle to others. They can't help but share their excitement and love for Him, thus fulfilling the Great Commission.

"Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit."

Matthew 28:19

ONLINE SEMINAR

The Bible: Fact or Fiction

Dr. Andy Bannister, Ph.D.

How is God using this online seminar to reach the lost?

- After attending the seminar a Vietnamese guest attended church for the first time.
- Muslim and Catholic non-believers have partnered with Christians to read the Bible together.

NEXTGEN

Two GEM missionaries created 32 videos to teach church multiplication to church planters. The NextGen course is offered in 8 units and explains essential principles for intercultural church multiplication. Currently the videos are being used by church planters at a seminary with hopes of expanding to other seminaries.

- Pray that more seminaries will embrace the NextGen course.
- Pray that God will connect church planters with these videos.
- Pray that God will use NextGen to produce effective church planters.

Core Principles of a Focus City

- IMMERSING in prayer to witness God's Kingdom extending throughout entire cities by multiplying trained disciple-makers.
- NETWORKING with like-minded local leaders and churches who desire to see their city transformed.
- TRAINING RESPONSIVENESS to God through obedience to His Word and Spirit.
- An EMBRACING OUTREACH to entire metropolitan areas, including every ethnic population within them.
- A REPRODUCING process that (super)naturally leads to multiplication of disciples and churches.
- CONTINUALLY EVALUATING from breakthrough to church planting.
- INTENTIONALLY SENDING experienced and well-trained discipleship strategy teams to other cities and ethnic populations throughout Europe.
