

The Crawford Pavilion

Dedicated in memory of Dr. Joe Crawford and in honor of his wife, Diane, The Crawford Pavilion promises to expand the ministry and fellowship of First Presbyterian Church, Kannapolis. The Crawfords faithfully served our church from 2000-2009. Tragically, Joe's life and ministry were cut short by a devastating illness.

A Vision & An Opportunity

In the Spring of 2022, a wonderful First Presbyterian couple presented the idea of an outdoor pavilion to our Session. In addition to the idea of the pavilion, they committed a large financial gift to fund it. After reviewing price increases for building supplies and construction, and following thoughtful discussion, Session committed to the construction of the structure. The couple has committed \$150,000 towards this project. Our church is asked to provide the remaining funds needed for its completion.

Base Construction Costs:

Pavilion Structure	\$134,000
Shingles	\$5,000
Playground Removal	\$1,200
Suther Engineering, PLLC	\$3,000

Retaining Wall & Side-walks	\$5,000
New Playground Equipment	\$20,000+
<hr/>
