Salinas, California is a small city that is roughly a two-hour drive south of San Francisco. The region is well known for its agriculture and scenic mountain views. Yet, the east side of town is typically a place that some do their best to avoid, considering it a gang-infested area. However, Matthew and Ana Silvestre wanted to start a church there. There is a multicultural church with a strong Hispanic representation in the congregation. Together, they have been able to love their local community by serving the homeless and other people in need in their city as they share the Gospel.

**THE COOPERATIVE PROGRAM** is the financial fuel for reaching every person for Jesus Christ in every town, every city, every state, and every nation. Your support through the Cooperative Program allows missionaries like the Silvestres to impact communities like Salinas with the love and peace of Christ.

**PRAY** for Matthew and Ana as they serve their church and community and that God will continue to open more doors for them.

# Let's Worship Together Safely

- Hand washing is *STILL* important
- Hand shaking, hugging, and other social contact should still be avoided for a while

- Social Distancing is *STILL* important - Additional spacing for seating is provided and we recommend only sitting near/next to those with whom you live
- Distribution of materials (hymnals, bulletins, etc) is currently suspended
- Closed-quarters small meetings (Bible Fellowship, Sunday School) will not immediately resume

- Anyone who is ill or showing symptoms of being sick should avoid services and meetings. *Join us online!*
- Elderly and vulnerable folks should take extra precautions, which may mean worshiping virtually for a while longer even when onsite services resume
- Face coverings are **required** indoors - face coverings are optional outside

***Thank you for worshipping with us!***

***We appreciate your taking these extra precautions to keep you and others healthy.***
