- Pray for the advancement of the gospel in our community.

### SBC Missionaries

IMB workers Ben and Christy Prater\* minister among Jewish communities in Poland and have connected with Polish believers who share the vision of learning the Hebrew language and reaching Jews in Poland.

The combined number of evangelicals in Poland is less than one percent of the population, making Poles an unreached people group. The number of Jews living in Poland continues to be extremely small, but now, 75 years after the Holocaust and World War II, the Jewish population has begun growing. However, both in Poland and around the world, very few Jews have a personal relationship with the Messiah, Jesus Christ.

**THE COOPERATIVE PROGRAM** is the financial fuel for reaching every person for Jesus Christ in every town, every city, every state, and every nation. Your support through the Cooperative Program gives the Praters opportunities to form relationships with Polish Jews which allows them to share that the Messiah they are awaiting has already come and is, in fact, coming again.

**PRAY** for the Praters as they spend time building relationships with the Polish Jews, as well as the large numbers of Jews visiting Poland to better understand their history, and that as they do, Jews will follow Jesus as Messiah.
