

Monday January 3, 2022

Dear Church Family,

Given the rising cases of covid in our state and given the fact that some of our members have tested positive (including myself), we have decided to suspend all in person/on campus activities for the rest of January

The Church will remain operational but there shall be no activities on our campus for the rest of the month. We shall have virtual bible studies on Wednesday and virtual service on Sundays but everything will be streamed from home to avoid physical contact.

There are three options for members to give their tithes and offerings during this period.

1. Through online giving
2. Mail your check to the church office
3. Cathee will be in the building some days during the week so you could stop by and drop your envelopes.

Please note that because of this decision, our church business meeting that was scheduled for Jan. 26 has been moved to Feb. 23.

Also note that should circumstances change, we may review this decision and update you accordingly otherwise, our regular in person events will resume on February 1.

Please be in prayers for our church at this time, praying that the Lord will deliver us from the effects of covid as we strive to do the work of the ministry.

Sincerely

Greg Kame, PhD

Senior Pastor

Glen Burnie Baptist Church
