

## **4 S' of Discipleship**

### **Ephesians 2:8-10**

- Today we begin our series I like to call the 4 S' of Discipleship.
- What are the 4 S' of Discipleship?
  - Salvation
  - Service
  - Sacrifice
  - Suffering

**Notes:**

- I. Salvation is a gift from God.
  - A. Grace through Faith
  - B. Not on our own
  - C. Not by Works

**Notes:**

- II. Salvation should be evident by our works.
  - A. For we are God's Workmanship
  - B. Created in Christ for Good Works.

1. **Good Works mentioned in the passage are not the basis of salvation but are the evidence of our faith in Christ and the transformation He brings into our lives.**
2. **Believers become a new creation in Christ, designed to live out the good works God has set for them.**

**Notes:**

**III. Salvation means we are living out our Faith.**

**A. That we should walk in them.**

**B. James 2:14-26**

**Notes:**

**Conclusion:**

- **Sometimes speaking for myself I can take the wonder of what Christ did for us for granted.**
- **Salvation is much more than just being saved. Salvation is the first step in being a Disciple of Christ. Salvation is the initiation of Christian becoming an ambassador of Christ.**
- **What does this look like in your life? Can others look at you and say, that person is different. That person lives out her faith. That person is an example of a Disciple of Christ.**
- **Can others say that about you? If not, let's change that today.**
