

## **4 S's of Discipleship**

### **John 13:1-7**

- **Last week we began a series called the 4 S's of Discipleship.**
- **What are the 4 S's of Discipleship?**
  - **Salvation**
  - **Service**
  - **Sacrifice**
  - **Suffering**
- **We began by looking at Salvation. The first step of Discipleship. And I talked about how Salvation is much more than just getting saved.**
  - **Salvation is a gift from God to never be taken for granted**
  - **Salvation should be evident by the works we do.**
  - **Salvation means to live out our faith.**
- **Today we will look at our second S of Discipleship: Service. We will see the example Jesus gave us in regards to our service to the Lord and to others.**
- **John 13:1-7**

#### **I. A Servant's Example**

**Notes:**

## **II. Love and Humility.**

**Notes:**

**Conclusion:**

- **Service without love is all for nothing.**
- **Jesus was teaching his disciple a valuable lesson here and later on he would humble himself to the point of death**
  - **Philippians 2:8-11**
- **How are you serving others? What are you doing to show love and being a servant and choosing others before self?**
- **Being a disciple is learning from Jesus and following Jesus' example of servanthood. Let our service always be done in love and looking past the differences we may have with others.**
